

# *Environmental Policy*

## *Basic Policy*

Through our business activities of developing, manufacturing, and selling of our products based on our core technology of “elasticity” , Piolax Group’s will pursue the realization of a “sustainable society” in which the environment, society, and economy are well balanced.

## *Slogan*

We aim for more balance and harmony with the environment..

## Action Guideline

All Piolax Groups will work on environmental protection and prevention of environmental pollution in all business areas while continuously improving our management systems and environmental performance.

### 〈Major Actions〉

- Promote environmental improvement activities in line with the President’s policy.
- Contribute to Sustainable Development Goals (SDGs).
- Make efficient use of energy and effective use of sustainable resources.
- Practice 3R activities (Reduce, Reuse, and Recycle) for the recycling-oriented society.
- Comply with environmental laws and regulations and customer requirements.
- Engage in environmental social contribution activities..
