

## Global Quality Policy

### Quality Management System

Deliver quality of the greatest satisfaction to customers

#### To realize “the greatest satisfaction”

1. Meet customer needs by achieving robust design.
2. Build high quality process to secure design quality.
3. Enforce 5S and create a clean and safe work environment.
4. All good parts by following work standards and procedures.
5. Quality check is mandatory when trouble or change occur.
6. Train operators to be keen and alert to “quality issues”.
7. Continuous quality improvement by all employees.
